

JCCA National Rally 19 - 22 May 2023 Toowoomba QLD

On behalf of our Queensland members, we are delighted Toowoomba will host the JCCA National Rally!

Toowoomba is a thriving city located in South-east Queensland on the Great Dividing Range at an altitude of 700m and about 130 km west of Brisbane. Easily reached by both coastal and inland routes.

Our base for the National Rally weekend will be newly built The Oaks Toowoomba Hotel at 25 Annand Street, Toowoomba. As The Oaks is located in the CBD, attractions such as art galleries, coffee shops, pubs, parks and restaurants are only a short walk away. Secure underground car parking is available on site for \$15 per day, so please select it on your accommodation and meals form if required.

May is one of the best months to visit Toowoomba with the temperature ranging from 10°C to 22°C. Days can be sunny or even hot while evenings are cool so remember to pack a coat.

Friday evening will be a meet and greet buffet dinner with fine ales and wines from the bar.

On Saturday morning there is a choice of activity: a scenic drive around Toowoomba or for those who would like a break from driving, or an historic walking tour of Toowoomba's CBD.

We will all meet for lunch and afterwards there again are choices: a 30 minute drive to visit the Queensland Transport Museum at Gatton, or a visit to Toowoomba's Cobb and Co Museum. Alternatively, this is an opportunity to explore Toowoomba at your leisure.

On Sunday morning, we will attend the expansive David Hack Classic Meet for cars and aircraft at the Old Toowoomba airport. This a great opportunity to showcase our Jensens and see classic planes and cars.

The AGM will be held at The Oaks at 4 pm, and then afterwards everyone can dress up in their groovy gear for our 1970's themed dinner.

The David Hack Classic is a major event in Toowoomba and we have 30 rooms reserved at the Oaks so please book early to secure your room – please do not delay - if you miss out on our reserved rooms you may not find any other accommodation in Toowoomba.

See you in Toowoomba in 2023!
